

AAHAM PROFESSIONAL AND TECHNICAL STUDY MANUALS

The AAHAM Professional and Technical Exam Study Manuals are the only study manuals written by AAHAM for AAHAM exams, specifically to assist you in studying for AAHAM's professional and technical certification programs. Each manual has a wealth of helpful information for those studying for the professional and technical exams and for those who do coaching. Each manual contains sections that match each section of the exams with material targeted and geared toward exam questions. Both manuals feature knowledge checks (practice questions) along the way to help you gauge your progress.

There are other guides and manuals out there, but these are the only one written by AAHAM, for AAHAM and for AAHAM's own certification programs, don't accept any substitutes!
