This intermediate level session will focus on proven tactics to collect on Motor Vehicle and Workers Compensation. An emphasis will be front end actions to take as well as the impact of applicable state and/or federal laws.

Attendees will learn about:

- ⇒ How to improve reimbursement with time tested forms (examples given) and follow up techniques.
- ⇒ The impact of state and federal laws. (NOTE: state regulations will be provided upon request after the session)
- ⇒ Tips to improve Medicare related reimbursement on motor vehicle accident (MVA) claims
- ⇒ Training techniques and reporting for Motor Vehicle and Workers Compensation claims

Level of webinar: INTERMEDIATE

Target audience: PFS Managers and CFO’s. Everyone involved in the Revenue Cycle (registration, billing, collections and management)

---

**About our speakers:**

Bruce Nelson has a twenty-five plus year career in Revenue Cycle management. Bruce started his healthcare career at one of the nation's largest Blue Cross plans, and then was Director of PFS at two nationally recognized healthcare systems. He was Executive Vice President at Zimmerman and Associates for eleven years leading over 100 revenue cycle engagements. Prior to joining CCS, Bruce was Vice President at SearchAmerica.

Claudine Nesheiwat has worked in various capacities of healthcare administration for the past ten years. Claudine began her career in technical and legal compliance in the insurance industry, expanding her knowledge with medical bill review in a property & casualty environment. She was appointed Director of Business Initiatives at Claim Assist, a division of The CCS Companies. She has taught medical administration at Clark University, and today manages Quality Assurance, Training, and Business Process Management at Claim Assist.
