## AAHAM PRESENTS FREE STUDY WEBINAR SERIES for all AAHAM CERTIFICATIONS

Whether you are planning on taking any of the AAHAM Certification examinations, preparing for the future, or need the education to do your job better, you want to sign up for the webinar program. Statistically, those who've participated in our webinars have a higher pass rate than those who did not.

The CRCE, CRCP, and CRIP webinars will be 4 sessions covering each section of the exam.

The CRCS and CCT will be a single session webinars covering the entire exam.

These 90 minute study sessions require a computer, high speed Internet, PowerPoint and a telephone line. The webinar includes a 60 minute presentation, a 30 minute Q&A period, and handout provided via email.

### Please note that you will receive your confirmation and handouts via email the MONDAY BEFORE EACH WEBINAR.

The registration is for one line and one computer. The webinar format permits an unlimited amount of people to listen in from one phone. Correspondence and handouts will only be sent to the registrant.

You will receive a CEU sign up form for your entire group of listeners with your confirmation. To ensure the quality of interaction, the number of registrations for each audio seminar is limited. Reserve your space by registering ASAP.

**After registering...The Monday prior to the session, you will be emailed a confirmation, phone number and passcode to use for the call, a CEU form as well as a set of handouts.** On the program date...It's easy! Just call in a few minutes before the scheduled time, enter your passcode, and click on the link. Long-distance rates are covered in your registration fee.

### Registrations must be received the WEEK before each session

**Earn 3 AAHAM CEUs for EACH study session attended**
