AAHAM PRESENTS FREE STUDY WEBINAR SERIES for all AAHAM CERTIFICATIONS

Whether you are planning on taking any of the AAHAM Certification examinations, preparing for the future, or need the education to do your job better, you will want to sign up for this webinar program. Statistically, those who have participated in our webinars have a higher pass rate than those who did not.

- The CRCE and CRCP webinars will be multiple sessions covering each section of the exam.
- The CRIP, CRCS and CCT reviews will be one single session covering the entire exam.

Each webinar is 90 minutes and will require a computer, high speed Internet, PowerPoint and a telephone line. The webinar includes a 60-75 minute presentation with a 15-30 minute Q&A period, and a handout provided via email.

Please note that you will receive your confirmation and handouts via email the MONDAY BEFORE EACH WEBINAR.

The registration is for one line and one computer. The webinar format permits an unlimited amount of people to listen in from one phone. Correspondence and handouts will only be sent to the registrant.

You will receive a CEU form with 3 CEUs for each member of your group of listeners for each webinar. To ensure the quality of interaction, the number of registrations for each audio seminar is limited. Reserve your space by registering ASAP.

After registering...the Monday prior to the session, you will be emailed a confirmation, phone number and passcode to use for the call, a CEU form as well as a set of handouts. On the program date, just call in a few minutes before the scheduled webinar, enter your passcode, and click on the link. It is just that simple!

Questions? Please call 703.281.4043 x 4 or email moayad@aaham.org.
