AAHAM PRESENTS FREE STUDY WEBINAR SERIES for all AAHAM CERTIFICATIONS

Whether you are planning on taking any of the AAHAM Certification examinations, preparing for the future, or need the education to do your job better, you will want to sign up for this webinar program. Statistically, those who have participated in our webinars have a higher pass rate than those who did not.

Each webinar is 90 minutes and will require a computer with high-speed Internet or a telephone line. The webinar includes a 60–75 minute presentation with a 15-30 minute Q&A period and a handout provided via email.

The registration is for one line and one computer. The webinar format permits an unlimited amount of people to listen in from one line.

You will receive a CEU form with 3 CEUs for each member of your group of listeners for each webinar. To ensure the quality of interaction, the number of registrations for each audio seminar is limited. Reserve your space by registering ASAP.

After registering...the Friday prior to the session, the registrants will be emailed a webinar connection information, and passcode to use for the session. CEU submission information and program handouts will be downloadable. On the program date, just connect a few minutes before the session, click on the link, and enter your passcode. It is just that simple!

Questions? Please call 703.281.4043 x 4 or email moayad@aaham.org.
