

**AAHAM WEBINAR**  
**WEDNESDAY, March 22, 2023**  
**1:30 PM - 3:00 PM EDT**

**EVERYONE Earns 3 AAHAM CEUs for attending**

Join AAHAM, Vanessa Moldovan from Waystar, as we present this timely webinar,

**“Common Modifiers in Physician Billing”**

Modifiers can make or break the revenue stream of a physician’s practice. Modifiers are an unusual part of the coding world because we utilize them to tell the story of the medical record, but we must also use them to follow payer guidelines. This can be a difficult balance. In this presentation, we will learn the definition of the most common modifiers used in physician billing and how to appropriately utilize them so that we can keep that balance.

This webinar will help attendees:

- Understand when it’s appropriate to append a modifier
- Understand the purpose of a modifier
- Understand how modifiers affect the physician revenue cycle

Level of the webinar: INTERMEDIATE

Target audience: Access, Billing, and Collections Staff
